"STORE WHERE QUALITY COUNTS"

"The store where quality counts" is the motto of The Brownsville Woolen Mill, where at present is being shown a line of the Alfred Benjamin & Company clothing that is drawing a trade that astonishes even Mr. Judd, who expected to do quite a business this season.

The reputation for this splendid line of ready-made clothing that fits like custom and has fully as much durability, has gone through the class of young men who like to appear well dressed, and who are willing to be counted as among the best dressed of any in the city.

Mr. Judd has fitted his store with the very best of equipment for showing goods, all of the coats being on forms that not only preserve the shape, but also render it easy for the salesman to show just what the coat is.

Large triple mirrors of the clearest plate glass have been introduced, and with the splendid scheme of lighting the store one sees just how his clothes fit and look before he decides on purchase.

There is a very extensive line of rain- coats of standard texture and make, a line of goods that Mr. Judd has made a specialty of and for which he has a regu- lar established trade, the prices being especially low, enabling everybody to have one of these very necessary articles of wardrobe.

The line of shirtings and neckwear of the Judd establishment is too well known to need much attention as in no other place can be found the patterns and close-to-the figure cut of the Judd shirts that have made a trade of flat- tering proportions and permanent na- ture.

A general invitation comes at all times from Mr. Judd for the people of Astoria to visit his store where the most courteous attention is assured and where a stock is shown that it is a delight to inspect.

AUTO HOLD UP. NEW BRUNSWICK, N. J., Oct. 26.— A highwayman with an auto of his own held up William Floyd, a rich retired merchant, on a lonely road twelve miles outside of this town, and not only took the victim's watch and money, but his \$5,000 touring car.

The affair happened last night, but Floyd did not care to walk into town. He spent the night at a farm house, came to town via a lumber wagon today and reported his loss to the police.

The merchant was humming along a moonlight stretch when he heard some one "honk-honking" behind him. This touched his pride and he put on more speed. So did the pursuing auto. The chase lasted five miles. Then the highwayman commenced shooting at the fleeing man's tire. Floyd was afraid a bullet might hit him and stopped.

The highwayman wore goggles which completely hid his features. He had a chauffeur similarly masked. The former made Floyd get out by pointing a revolver at him, took all his valuables, jumped into the merchant's auto and whisked away with his companion in a cloud of dust.

Perfect Womanhood Lydia E. Pinkham's Vegetable Compound The greatest menace to woman's permanent happiness in life is the suffering that comes from some derangement of the feminine organs. Many thousands of women have realized this too late to save their health, barely in time to save their lives. To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, head- ache, bearing-down sensations, nervousness, irregularities or the "blues," she should start at once to build up her system by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound. It cures Female Complaints, such as Dragging Sensations, Weak Back, Falling and Displacements, Inflammation and Ulceration, and all Organic Diseases, and is invaluable in the Change of Life. It dissolves and Expels Tumors at an early stage. Subdues Faintness, Nervous Prostration, Exhaustion, and strengthens and tones the Stomach. Cures Headache, General Debility, Indigestion, and invigorates the whole female system. It is an excellent remedy for derangements of the Kidneys in either sex.
